10 BRYAN E. RANSOM,

11 Plaintiff,

12 v.

13 S. LEE, ET AL.,

14 Defendant(s).
15

Case No. CV 14-600-DSF (KK)

MEMORANDUM AND ORDER
AFFIRMING APRIL 20, 2018 ORDERS
GRANTING EXTENSION OF TIME
AND DENYING APPOINTMENT OF
COUNSEL WITHOUT PREJUDICE

16
17 I.

18 **INTRODUCTION**

19 On May 15, 2018, Plaintiff Bryan E. Ransom (“Plaintiff”) constructively
20 filed a pro se “Objection to Court’s Extension of Time and Denial of Plaintiff’s
21 Motion for Appointment of Counsel per FRCP Rule 60(b)” seeking review of the
22 Court’s April 20, 2018 Orders granting Plaintiff’s request for extension of time and
23 denying Plaintiff’s Motion for Appointment of Counsel without prejudice. ECF
24 Docket No. (“Dkt.”) 184. For the reasons set forth below, the Court construes
25 Plaintiff’s “Objection” as an objection pursuant to Federal Rule of Civil Procedure
26 72(a) and AFFIRMS the April 20, 2018 Orders.

28 ///

1 II.

2 **BACKGROUND**

3 On December 15, 2014, Plaintiff, proceeding pro se, constructively filed¹ a
4 Third Amended Complaint (“TAC”) pursuant to 42 U.S.C. § 1983 against
5 numerous defendants. Dkt. 20, TAC. The claims remaining in the operative TAC
6 arise out of allegations that defendants mistreated Plaintiff when he participated in
7 a “solid food” hunger strike while Plaintiff was an inmate at the California Men’s
8 Colony (“CMC”) in San Luis Obispo. Id.; see also Dkt. 154. On August 24, 2017,
9 the remaining defendants E. Ramirez-Quan, P. Gallagher, F. Cota, D. Duncan, B.
10 Phillips, D. Taylor, R. Siordia, E. Valenzuela, D. Hitt, R. Mangrubang, D. Merrill,
11 J. Busby, B. Lake, C. Tomasini, R. Day, and S. Lee (“Defendants”) filed an
12 Answer to the TAC. Dkt. 161.

13 On April 2, 2018, Defendant Ramirez-Quan filed motions to compel
14 responses to interrogatories and production of documents. Dkts. 172, 173.

15 On April 11, 2018, Plaintiff constructively filed a “Motion for an Extension
16 of Time; Re-Set Scheduling Order; and Appoint Counsel.” Dkt. 175.

17 On April 20, 2018, the Court granted Plaintiff’s request for extension of time
18 and extended the deadlines in the scheduling order accordingly. Dkt. 177. On
19 April 20, 2018, the Court issued a separate order denying Plaintiff’s request for
20 appointment of counsel without prejudice. Dkt. 178. The Court assured Plaintiff it
21 will liberally construe the pleadings and give Plaintiff the benefit of the doubt. Id.

22 On May 11, 2018, Defendants filed a Motion for Summary Judgment. Dkts.
23 181, 182.

24
25
26

¹ Under the “mailbox rule,” when a pro se prisoner gives prison authorities a
27 pleading to mail to court, the court deems the pleading constructively “filed” on
28 the date it is signed. Roberts v. Marshall, 627 F.3d 768, 770 n.1 (9th Cir. 2010)
(citation omitted); Douglas v. Noelle, 567 F.3d 1103, 1107 (9th Cir. 2009) (stating
the “mailbox rule applies to § 1983 suits filed by pro se prisoners”).

1 On May 15, 2018, Plaintiff constructively filed the instant Objections to the
2 Court's April 20, 2018 Orders granting Plaintiff's request for extension of time and
3 denying Plaintiff's request for appointment of counsel without prejudice. Dkt. 184.
4 The matter thus stands submitted.

5 III.

6 DISCUSSION

7 **A. FEDERAL RULE OF CIVIL PROCEDURE 60(b) IS INAPPLICABLE**

8 Pursuant to Federal Rule of Civil Procedure 60(b) ("Rule 60(b)"), "the
9 court may relieve a party or its legal representative from a final judgment, order, or
10 proceeding" for five enumerated reasons, or "any other reason that justifies
11 relief." Fed. R. Civ. P. 60(b). Though Rule 60(b) is susceptible to a reading that
12 allows for relief from non-final orders and proceedings, Courts have consistently
13 rejected such a reading. "Rule 60(b) does not provide relief from judgments,
14 orders, or proceedings that are not final decisions within the meaning of 28 U.S.C.
15 § 1291, which generally cannot be appealed immediately." Meas v. City & Cty. of
16 San Francisco, 681 F. Supp. 2d 1128, 1142 (N.D. Cal. 2010); see also United States
17 v. Martin, 226 F.3d 1042, 1048 n.8 (9th Cir. 2000) (noting "Rule 60(b), like Rule
18 59(e), applies only to motions attacking final, appealable orders").

19 Here, the Orders granting Plaintiff's request for extension of time and
20 denying appointment of counsel without prejudice are not final decisions within the
21 meaning of 28 U.S.C. § 1291. Cassirer v. Kingdom of Spain, 616 F.3d 1019, 1024
22 (9th Cir. 2010) ("A final decision is one that ends the litigation on the merits.").²

23
24
25 ² There is a small category of other decisions that are also considered "final,"
26 including "only decisions that are conclusive, that resolve important questions
27 separate from the merits, and that are effectively unreviewable on appeal from the
28 final judgment in the underlying action." Cassirer, 616 F.3d at 1024. Defendant
does not claim, nor does the Court find, the Orders granting Plaintiff's request for
extension of time or denying appointment of counsel would fall within this small
category of other "final" decisions.

1 Therefore, while Plaintiff cites Rule 60(b) in support of his “Objection,” Rule
2 60(b) is not applicable.

3 **B. PLAINTIFF FAILS TO SET FORTH ANY GROUNDS REQUIRING**
4 **MODIFICATION OF THE APRIL 20, 2018 ORDERS**

5 Magistrate judges have the authority to issue non-dispositive orders,
6 including orders denying appointment of counsel, particularly where the order is
7 without prejudice. See Jones v. Corr. Corp. of Am., No. CIV 10-2769-PHX-RCB,
8 2011 WL 1706838, at *4 (D. Ariz. May 5, 2011) (noting that motions denying
9 appointment of counsel are not dispositive of a party’s claim or defense). Pursuant
10 to Federal Rule of Civil Procedure 72(a), a party seeking review of a non-dispositive
11 order issued by a magistrate judge may “serve and file objections within 14 days
12 after being served with a copy.” Fed. R. Civ. P. 72(a). If timely objections are
13 filed, the district judge must consider such objections and “modify or set aside any
14 part of the order that is clearly erroneous or is contrary to law.” Id.

15 Here, Plaintiff seeks review of non-dispositive orders granting his extension
16 request and denying his request for appointment of counsel without prejudice.
17 Dkt. 184. Plaintiff argues that unless prison officials return his legal property, “the
18 Court’s extension of time without appointment of counsel is futile/unhelpful to
19 Plaintiff.” Id. at 2.

20 As an initial matter, Plaintiff’s Objections were not filed until 25 days after
21 the Orders granting the extension request and denying appointment of counsel.
22 Therefore, Plaintiff’s objections are untimely under Rule 72.

23 Moreover, Plaintiff fails to identify any clearly erroneous factual conclusions
24 or legal conclusions that are contrary to law. First, while Plaintiff did not specify
25 which deadlines he was requesting be extended nor how long an extension he
26 sought, the Court granted him a two week extension to file an opposition to the
27 pending motions to compel and reopened discovery. Second, it is clearly
28 established there is no constitutional right to appointed counsel in civil rights

1 actions. Storseth v. Spellman, 654 F.2d 1349, 1353 (9th Cir. 1981). In considering
2 Plaintiff's request for counsel the Court evaluated Plaintiff's likelihood of success
3 on the merits and ability to articulate his claims pro se, but found there were no
4 exceptional circumstances warranting the Court requesting an attorney to
5 voluntarily provide representation. See 28 U.S.C. §1915(e)(1); Palmer v. Valdez,
6 560 F.3d 965, 970 (9th Cir. 2009). Hence, Plaintiff has failed to set forth any
7 grounds requiring modification of the April 20, 2018 Orders.

8 **IV.**

9 **CONCLUSION**

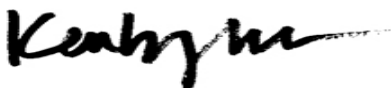

10 IT IS THEREFORE ORDERED Plaintiff's objections are overruled and the
11 April 20, 2018 Orders are AFFIRMED.
